Dear Sir:

This communication responds to the non-final Office Action mailed January 19, 2005, in connection with the above-identified patent application. The three-month shortened statutory period for reply is set to expire on April 19, 2005. Filed herewith is a Request for One-Month Extension of Time for responding to the Non-Final Office Action, said period of response being extended from April 19, 2005 to May 19, 2005. If the Office determines any additional extension is required in order for this paper to be timely filed, Applicants hereby request an extension for such additional time period.

Enclosed is a check for \$120.00 for a One-Month Extension of Time (\$120). It is believed that no additional fees are required for filing this response. However, the Commissioner is authorized to charge any additional fees or credit any overpayment to Kagan Binder Deposit Account No. 50-1775 and notify the undersigned of the same.

Entry of the current amendment and consideration of Applicants' response is respectfully requested.
